

Dear Athletic Director,

The **Northern California Golf Association**, in conjunction with the **California Interscholastic Federation**, has created a new program that will provide **FREE membership** in the NCGA to all members of high school golf teams and one coach per team.

The NCGA is the largest regional golf association in the country with a membership approaching 175,000. A sampling of benefits available to all high school golfers includes:

- Discounted green fees at Poppy Hills and Poppy Ridge
- FREE golf lessons and clinics
- An official USGA Handicap Index®
- A subscription to award-winning *NCGA Golf* magazine

You will find a complete description of NCGA benefits [here](#).

This membership opportunity also provides **ACCESS to golf courses** through the NCGA Foundation's **YOUTH ON COURSE (YOC) PROGRAM**. To become a YOC member a junior must enroll in a certified life skills program or complete the online NCGA Foundation YOC curriculum. YOC participants are eligible for significantly **discounted practice range tokens and golf course access** for an average of \$2 per round. A list of certified life skills programs and participating courses is enclosed or is found at www.ncgafoundation.org/youth_on_course.php

Each CIF section in Northern California has its own website using **eClubhouse**. Members will receive access to an **eClubhouse** where they can meet other members, track their golf statistics, and learn more about opportunities for the NCGA Junior Tour and college golf. Players and coaches will find automated stats tracking and additional resources for evaluating performance. **Visit www.ncga.org/juniors/highschool to find each section eClubhouse.**

Enrollment is EASY.

- **Simply forward this information along with the enclosed enrollment form to your golf coaches and their players. Coaches can enroll their players by returning the form to the NCGA.**

or

- **Coaches can have their players enroll online through their eClubhouse. From this link: www.ncga.org/juniors/highschool click on the appropriate eClubhouse for your section and then click on "Become a member" or "APPLY FOR MEMBERSHIP."**

For more information or if you need assistance enrolling, please contact John Vander Borgh at 831-625-4653 or jborgh@ncga.org.

Thank you,

David Bill
Chief Executive Officer, NCGA

GOLF COACHES AND TEAM MEMBERS – Please register online at www.ncga.org/juniors/highschool or complete and return to the NCGA

Membership Form
