Willow Glen boys/Mountain View girls lead the highlights!

Photos by Margaret Gallagher

Los Osos' Brett Valencia and Willow Glen's Nohe Lema

"I watched "Mo" unselfishly pull Nohe to a :30+ PR on Thursday by setting back with Nohe and talking to him to "stay with me, c'mon", yes TALKING as they ran in the meet... In turn he still ran a near course record himself in San Jose. Amazing kid... Cant say enough about the character of Victor Santammaria and his teams, Top shelf, class act!" -- *Mike Dudley*

MEET SUMMARY

By Albert Caruana

The rains hit early during some of the younger divisional races but it was clear skies for the Varsity races. The sun even made appearance in the 2nd Varsity Boys race (final race). This was the third different course in the past three years due to myriad of reasons. Several teams and individuals were very impressive even though we missed out on a couple of great match-ups due to tl splitting of all the varsity races. The course distance is listed in the results as 2.93 miles.

Varsity Girls

Very impressive run for Shelby Golan of St. Francis (Mt View), in the first varsity girls' race, as she recorded the fastest time the day with a 17:42. Villa Park was the team champion in the first race running 97:56 and scoring 68. Northwood was 2nd with 97:24 and a mere point behind at 69. St. Francis of Mt. View was third at 96:52 and 75.

The 2nd race had two of the best teams in CCS going head to head with Mt. View gaining the narrow victory over St. Ignatiu: to 47. SI was impressive with their 1-2 finish of Katy Daly (17:46) and freshman Rachel Hinds (18:04). Mountain View had 3, 4 11 and 15 for their individual placers while SI finished 1, 2, 8, 17 and 19. Both teams could be contenders at the state meet.

Varsity Boys

In the first Varsity Boys' race, it appeared that Mohammed Abdalla was pacing for his teammate, Nohe Lema, most of the ra His younger teammate outleaned him at the line but I don't believe Abdalla was running all out. Impressive team victory for Wil

Glen with their 78:44 team time and 56 team score. Bellarmine was 2nd with a 79:39 team time and 75 score.

2nd Varsity Boys' race went to Philip MacQuitty who recorded the fastest time of the day with a sub 15 minute clocking at 14:59. There was plenty left in the tank as MacQuitty switched to a different gear when he saw the clock right past the finish line and how close he was to sub 15. Team victors were Los Osos with a 79:03 team time and 60 team score. Grace Davis was 2nd at 79:57 and 72. Mountain View was very impressive with their 3rd place team showing and their top two runners, both Sophomors
