

San Francisco Unified School District
Athletic Chartered Bus Opt Out Form
For High School Students

Dear Parent:

Where a school books an athletic chartered bus, all members of a school's team must ride that bus from their school to their destination, and they must return from the destination back to their school. Members of a school's team may be excused from riding on the bus in either or both directions by their parent or guardian.

On _____ [date], the _____ School's _____ team will travel by chartered bus, leaving from _____ School at _____ [am/pm] (circle one). The bus is scheduled to travel to _____ at the following address:

_____. The bus is scheduled to leave _____ at _____ [am/pm] (circle one).

If you and your school's coach approve, your high school student may wish to meet at and/or leave from the destination on his/her own. If this choice applies to your child and you approve, please check one of the options below; otherwise, he/she will leave and arrive with the bus supervisor. Under this option, SFUSD and the school will not be liable for any incidents that occur.
