**Academic Athletic Association 2002-03  
TRACK & FIELD**

April 30, 2003

Thank you for your interest in Academic Athletic Association Track & Field.

Scores are head-to-head between schools and individual and team results are kept and coordinated by the coaches.

Please check the schedule link for track & field so that you may plan to attend these events.

The office requests that all coaches report individual & team times, marks and results via fax at 920-5189. This is a new process and we thank the student-athletes and coaches for their hard work and cooperation in our attempts to improve our information capabilities and the public for your patience and interest regarding AAA activities.

The following are scores turned in under the full-meet format. Non-AAA scores follow:
